

dhtt::Node

```
classDiagram
    class dhtt::Node
    class dhtt::BranchPlugType
    dhtt::BranchPlugType --|> dhtt::Node : container
```

The diagram illustrates a container relationship between two classes. At the top is a white box labeled 'dhtt::Node'. At the bottom is a gray box labeled 'dhtt::BranchPlugType'. A dashed purple arrow points from the gray box up to the white box, with the word 'container' written to the right of the arrow.
