

dhtt::Node

```
graph BT; A[dhtt::BranchSocketType] -.->|container| B[dhtt::Node];
```

The diagram illustrates an inheritance relationship. At the top is a white box labeled 'dhtt::Node'. Below it is a grey box labeled 'dhtt::BranchSocketType'. A dashed purple arrow points from the grey box up to the white box. To the right of the arrow, the word 'container' is written, indicating the mechanism of inheritance.
